

Prep 1 Bear Houses

Prep 1 has been learning about measurement in Maths.

We made a teddy bear and measured him with unifix blocks to see how tall he was and how wide he was. Our teddies were a lot taller than we thought!

We then designed a home for him and built it out of recycled boxes and cylinders so that it was just the right size for him to live in.

Pre-Prep Playgroup

Every **Tuesday** morning throughout the term, a group of excited parents run a Pre-Prep Playgroup with the guidance of our experienced **Teacher Aide Mrs Rechelle Baker**, from **9.00am to 10.30am** in our school hall.

Children enjoy an array of activities including painting, imaginary play, playdough, home corner, puzzles and fine motor activities.

We would like to kindly thank the Caboolture Early Years Centre for their ongoing support and for providing the group with a number of fantastic new resources.

If you would like any more information regarding our playgroup please contact **Allison Lutton** on **3400 2333**.

SCHOOL PHOTO'S

Our school photo's are being held on the **23rd May 2013**.

Correct money in the Pixi photo envelope can be handed in early to the office for your convenience.

From The Principal's Pentium

Welcome

I proudly sit here typing this week's newsletter article. I say proudly as I reflect upon our school's efforts over the past fortnight which were highlighted by our massive community engagement and commemoration of ANZAC Day. Many thanks to Mrs Woodham for coordinating these events. There was a deep and unrelenting level of respect and honour shown as students and staff participated in remembrance events. On top of this our Buddy Play program run by our year seven leaders is also providing a great demonstration of compassion and care in school every day.

As Principal I have an unashamed focus on improved academic outcomes, but not at the expense of core relational, social and emotional values. This fortnight we have seen these values enacted strongly. I am indeed a lucky and proud Principal!

Photocopy Paper and Tissues

Last week saw over 100 families donate resources (copy paper and tissues) to the school. **Jenae Kerr** was the winner of the gift voucher for donating. We have one more draw on our next assembly so it is not too late to demonstrate your support by **donating these small yet important resources to the school**. All we ask is a donation of one ream of photocopy paper and one box of tissues per student (more if you like). One entry will be provided for each item donated. Please drop these items to the office to go in the draw. Our last draw will occur on assembly on the 15th of May.

Toilet Behaviour

While we are still encountering some behaviour issues in our toilets each day, there has been some improvement over the past fortnight. Thank you to parents who have supported our request and spoken to their children around accepted behaviour in this area. With a little more effort we can eliminate the unsafe and vandalising behaviours we have been seeing in our toilets.

NAPLAN

Our year 3, 5, 7 and 9 students will next week participate in the annual NAPLAN program. These tests assess their skills and understanding in reading, writing, spelling, grammar and punctuation and numeracy.

The tests will be conducted in all state and non-state schools across the country from **14–16 May**.

At Bribie we need this period to be a time where we provide a quiet and uninterrupted environment for the students. Please take particular care in and around our school at these times so we can provide students the best possible test conditions.

Special thanks go to our P&C who are again this year supporting students with brain food break and breakfast so that their nutrition needs can be supported. As research has shown hungry students can not focus.

Art and Science of Teaching (ASoT)

Over the past year our school has been delving into a process of pedagogical reform. As a school we are embracing the Art and Science of Teaching by Marzano. We are now into a three year revitalisation process in delivering ASOT and I will be regularly sharing elements of this process so that our whole school community is aware of and can share this journey.

Below I highlight the ten design questions which are fundamental to ASOT and which will guide much of our teachers work. These questions will be explicitly addressed over the coming thirty six months to frame considerations around teaching at Bribie.

1. What will I do to establish and communicate learning goals, track student progress and celebrate success?
2. What will I do to help students effectively interact with new knowledge?
3. What will I do to help students practice and deepen their understanding of new knowledge?
4. What will I do to help students generate and test hypotheses about new knowledge?
5. What will I do to engage students?
6. What will I do to establish or maintain classroom rules and procedures?
7. What will I do to recognise and acknowledge adherence and lack of adherence to classroom rules and procedures?
8. What will I do to establish and maintain effective relationships with students?
9. What will I do to communicate high expectations for all students?
10. What will I do to develop effective lessons organised into a cohesive unit?

Evidence of early focuses in ASOT can be seen in our work on learning goals (Question 1). Classrooms have on display their literacy goals. We are also reviewing school routines (Question 6) as part of our work in SWPBS.

Rachel Roebuck is our key staff member leading our school in ASOT and recently she has compiled a few documents which seek to frame our pedagogical renewal process. In this newsletter I have included these for your consideration and welcome any feedback or discussion which can frame and inform our school-wide process.

Included documents are: **BISS Teaching and Learning Framework** and **BISS The Effective Teacher**. Each of these documents are structured to include our school keys (Be Safe, Be Respectful and Be an Active Learner) and reflects the ten design questions.

Enrichment and Extension

Our school continually provides opportunities for students to enhance their learning opportunities. Our latest activities which have commenced include our Bribie's Got Talent Event, Speech Craft and Gavel Clubs. We thank Mrs Woodham who is committing her time to run these events. Mrs Hayward is overseeing our Buddy Play program which is being delivered by our student leaders.

On top of all else we have on offer Bribie is ensuring students can participate and excel in many tremendous learning activities.

Parents and Citizens Association and Volunteers

I have been very impressed by the industry and organisation of this year's P&C executive. Each member of this team has taken their role seriously and are genuinely working as a team, for the betterment of the school. You can help this team by volunteering at the school. We particularly require **tuckshop volunteers** and as many people as possible to put up their hand to help us deliver our **fete**. The fete is planned for the **7th of September**. Please see one of the P&C members in the P&C room any morning or send your contact details and offer of support in with one of your children to the P&C. **Can you help out?**

Paul Pickering
Principal

From the Deputy Principal's Desk

It has been a great couple of weeks at Bribie with the work from the high school students and a visit from **Petero Civonicieva**.

Caydon Wesley, Jack Black, Brodie Warner, Jacob Hearn and Jamie-Joe Thomas were lucky enough to spend some time with **Ken Piva, Petero Civonicieva, Daniel Sarmiento** and **Mr. Lawton**. The session began with the boys participating in some rugby league skills run by **Daniel** from the NRL with other students that had been involved in the Rock and Water program from year 6 and 7. After this the group was able to share with **Petero** and talk about how the Rock & Water program had helped them to deal with difficult situations in schools with their peers and teachers.

At the end **Petero** talked with **Caydon, Jack, Brodie, Jacob** and **Jamie** about how they had been going at school since his last visit and what they still needed to work on to improve their relationships with others. All the boys spoke in front of the group and had the confidence to speak about the good things and what they needed to improve upon. **Petero** promised that he would be back at Bribie and was looking forward to meeting the boys again to see how they were travelling and would like to take them out for lunch to catch up. **Mr. Piva** and I could not have been prouder of the boys and have noted the improved effort they are putting into school and working on Being Respectful to those around them. Well done!

A fantastic effort has taken out **Junior Boys AFL Interschool Sport** team in to the **GRAND FINAL** this **Friday 10th May**. If you are able to support this team this Friday the game is being held at Tuckaroo Rd CABOOLTURE @ 1.20pm. **GOOD LUCK BOYS!**

Yours in Education,

David Lawton
A/Deputy Principal

Bribie Island High School Year 11 Early Childhood Students

Year 11 students from **Bribie Island High School** have been participating in a unique opportunity, reading with our **Year 2 students**. The Year 2's and their year 11 mentors work together to build relationships and improve reading confidence. The Year 11 students undertook a training session with **Mrs Lutton** and **Mrs Roebuck** to develop their skills as reading mentors. **Mrs Roebuck**, the School Literacy Coach said "this program will benefit all involved. The Year 2s will build skills and confidence through reading practise whilst the Year 11 Early Childhood Students will gain vital work experience".

Homestay providers required for Bribie Island State High School

Bribie Island State High School have a study tour proposed to visit our school from Taiwan from the **8th July to the 27th July**. Students will be aged between 14 and 17 year boys and girls.

As a Homestay provider you will be asked to be responsible for:

- ◆ Providing safe, secure sleeping arrangements, access to bedding, towels, cutlery and three meals a day
- ◆ Provide supervision before and after school and weekends
- ◆ Supervised transport to and from school (Study Tour students are not able to travel on buses)
- ◆ Treat the student as a member of the family, possibly show the student around the local area (no expectation of high cost activities)

To become a Homestay provider, families will be asked to complete an application form to help match students appropriately. Family's members over 18 will also be required to have a Volunteer Blue Card. This process will be managed by the school. Families will be provided with a profile of their student as well as information on cultural etiquette and a detailed itinerary of the study tour.

Homestay providers will be paid an allowance of \$33 per day to cover the costs of hosting the international student.

Please contact **Angela Mann (ISP Homestay Co-ordinator)** at **Bribie Island State High School** on **3400 2481** to register your interest and discuss further details.

P&C Association

Hello Everyone!

Thank you all for making our Mother's Day stall successful once again. We are certain all our Mum's at Bribie State School will be very happy and we would like to wish all the Mother's a very **Happy Mother's Day** for this Sunday!

SCHOOL FETE

Our school Fete will be on the **7th September**. We are seeking volunteers to help out. If you can spare your time, please see any of the P & C and leave your details for future contact. **Volunteers are Vital!** We would love to see some new faces and look forward to the fresh ideas that come with them.

Remember to bring in your OLD mobile phones for our recycling program. Check your children's bags for the flyer!
A recycling box is situated in the front office near the student window.

Be a Movie Star and Perform on Stage!

Beginning in Term 2

Star in a stage performance of a modern version of a well known fairy tale! Helping Hands is pleased to be able to offer this unique opportunity for all the children at Bribie Island.

Happy, Grumpy, Sleepy... Which dwarf are you? Snow White has missed her friends the dwarfs! The Evil Queen is sick of boring fairytales. She wants to be entertained!

Come play and explore the unspoken tales of the seven dwarfs or be an Evil Queen or King. Learn about drama and role-playing while having fun. We will peek into the hidden world of your imaginations, unlocking new stories and characters. Learn how to use drama to present your own creative thoughts and characters. Come join us as we write and perform the modern day fairy tale.

On the final week family and friends will be invited along as the children present their modern day fairy-tales, with the guidance of our professional actor.

For more information or to book into this exciting 5 week program please contact Helping Hands Bribie Island on **0488 446 320** or email

Suggestion for building better family relationships

Caring and commitment are the basis of strong family relationships. This means making wellbeing of family members a first priority and offering support when needed. Some families seem to pull together easily, while others it takes greater effort. To build strong family relationships start by identifying the strengths you do have and appreciating them. Paying attention to the things that work well and building on them will help to strengthen your relationships. The following suggestions maybe useful reminders.

There are lots of ways to show you care, even in busy families

- ◆ Tune in - One way to show you care is by listening to what other family members have to say with interest and enthusiasm. Other ideas include doing things for one another, helping (without complaining!), celebrating birthdays and achievements and taking the time to understand how other family members are feeling. Hugs are another favourite.
- ◆ Have fun together - Spend time doing things you enjoy. Doing simple things that allow you to relax and play together is very important for building positive feelings and connections amongst family members. Playing games or sports, going to the park, on picnics, visiting with friends or just relaxing together are some examples of family activities that help to build family relationships.
- ◆ Share the load - Family life can get out of balance when one person feels they have all the burden of responsibilities, or when one person makes all the decisions. Supporting each other includes sharing the chores and making sure that everyone gets a chance to have their say in the decisions that affects them.

WHAT'S HAPPENING AT BRIBIE STATE!

Bribie Island State School and NAPLAN Testing

On **Tuesday 14th May, Wednesday 15th May and Thursday 16th May Year 3, 5 and 7 students** will be participating the National Assessment Program: Literacy and Numeracy. At **Bribie Island State School** we are committed to supporting our students in every way possible, so that it is both a positive experience and an opportunity to achieve their very best.

It is important that on the testing days, your child is at school on time, and prepared for the tests. This will require them to have had a restful sleep the night before and a healthy breakfast the morning of the tests. All students need to be ready at their testing location by **8:45am**. Testing will begin promptly at **9:00am**. The class teachers have explained to the students where they will be carrying out the tests, and where they are to meet. For the majority of students this will be their usual classroom.

Our **P and C** are supporting the students through providing healthy fruit platters to each classroom for the students.

Any students absent during the testing process will be involved in catch-up tests on the Wednesday, Thursday and Friday of the testing week.

If you have any questions regarding your child's involvement in the National Assessments, please contact our school office on 3400 2333.

ANZAC Day 2013

THANK YOU- Students, Parents, Grandparents, Carers and Staff

As **Bribie Island State School** students marched in a sea of blue and teal green with Pride, Respect and Honour, crowds lined the street to cheer as we and other groups of the community marched for our fallen.

Bribie Island State School would like to commend all of the students who were able to give up their morning on **ANZAC Day** and march with our school. We are very grateful for such wonderful **Parents, Grandparents Carers and Staff**, and we thank all families that came along with their children to support our school and the Bribie Island community on **ANZAC Day**.

Thank you to our **School Captains Daniel Brown** and **Kiarna Patterson** for laying the wreath on behalf of our school along with **Mr Pickering** and **Mr Lawton**. **Kiarna Patterson** did a tremendous job reading the Resolution at the **ANZAC Day Service**. Our school is so very proud of each and every student from **Bribie Island State School**.
