Always kiss your children goodnight, even if they’re already asleep.

On Friday the 21st June, Bribie Island State School put on a High Tea for all their valued volunteers. Over 50 people attended the event, which was designed to recognise the hard work and dedication of all those who volunteer their time in classrooms, tuckshop, Religious Instruction and the P and C.

Between sips of hot tea, volunteers were presented with certificates of appreciation and gifts, as they enjoyed performances from the Year 2/3 Enrichment Performing Arts group, a music duet from the Lachlan and Daniel Brown and an inspiring speech from our School Captain Kiarna Patterson.

From The Principal’s Pentium

Welcome
The first week and a half of term three has been fantastic apart from the inclement weather. Our rescheduling of the P-3 Athletics due to the weather was our only disappointment. We have moved this event to 31st July.

Teaching and Learning Audit
On Wednesday and Thursday this week our school completed a Teaching and Learning Audit. This process occurs every three – four years in all Queensland State Schools and serves to review how the school is delivering in a range of targeted curriculum and teaching areas. Information from this audit will be shared in our next newsletter.

Independent Public Schools
Our school is investigating the possibility of applying to be an Independent Public School. During term three a range of consultation opportunities will be provided. We will be holding a community meeting around this initiative on Tuesday 23rd July at 7:00pm in the Arts/Technology building (The Thornely Centre). All are invited. I also invite those who would like information to make contact with me.

Attendance
EVERY DAY COUNTS! Our goal is 95% attendance each and every day.

Treeing Program – Removal and Revegetation
Over the holidays we completed the first stage of our school treeing program. This long-term strategy aims to improve our school in the area of flora location and thus manage school safety and maintenance issues. Broad consultation with regional facilities officers, staff, parents, an arborist, our local member of parliament and local environmental groups has occurred. The program is now in three phases. Phase one, just completed, saw the removal of our highest priority trees. Phase two later in the year will see a few more trees removed to finalise the whole safety and maintenance aspect of the program. Phase three is our tree planting program where we will plant a range of appropriate trees in more preferred locations. Wallum Action group is helping here.

Great teachers = Great results  (from John-Paul Langbroek MP  Minister for Education, Training and Employment)
Great teachers = Great results is the Queensland Government’s five-year, $537 million action plan to make our state’s education system even better. It will: support teachers with mentoring, training and resources; reward outstanding teachers with career opportunities and scholarships; strengthen state school discipline and allow schools to have more say in how they are run because each school community knows what’s best for Queensland kids. The plan will lift standards of teaching and give schools more flexibility to get on with the job with a range of research-based initiatives to help your child get a great education, no matter where you live. There will be new ways of measuring and rewarding high performances among our teachers, as well as strengthened discipline and streamlined processes for suspensions and exclusions. Find out more about the plan: www.qld.gov.au/greatteachers

Parent / Teacher Interviews
Please be advised our next round of Parent/Teacher Interviews is planned for the week commencing 9th September. More information around the detail of these meetings will be provided during August.

Wakakirri
Our fantastic Year Two classes are excited by their Wakakirri event on next week. All members of the community are welcome to attend at the Caloundra Entertainment Centre for the Regional Finals on Thursday 25th July and Friday 26th July. To purchase tickets please contact Wakakirri. Good luck team.

Prep 2014 and beyond
We want to provide a thorough induction for our future prep enrolments and will this term host a range of events to have our future prep students and their parents visit our school. Enrolments are being taken now! Spread the word.

School Uniform
I would like to remind all members of our school that we have an established uniform code. This includes the wearing of acceptable jewellery. Ear piercing has raised its head again. Please be reminded that it is only acceptable for students to wear sleepers or studs to school. Any other form of piercing is not to be worn. This includes large earrings or ‘enlargers’.

P&C President
Following the resignation of our P & C President Chris Giffin nominations are called for this position for election at the next P & C meeting on Wednesday 24th July at 9:30am. Are you keen to work with this hardworking team?

Have a great fortnight. Paul Pickering Principal
Dear Parents & Caregivers,

Welcome back to school for Semester 2. It is exciting to be back and I’m already looking forward to all the activities and events occurring this term. Already we have had our Senior Athletics carnival, which was a great success. Our Junior Carnival has had to be postponed till 31st July and we are sorry for any inconvenience this may have caused. Hopefully, you are still able to come down and support your children on the day.

I’ve been extremely impressed with the way students have settled down into term 3 and got straight to work, showing they are all Active Learners. Well done! Over the next few weeks of school teachers will be focussing on our school keys of Confidence, Organisation, Emotional Resilience, Persistence and Getting Along. This week we have been focussing on our Confidence Key and teachers have been making an effort to identify students who are displaying confidence within the school setting. It would be great if parents can employ this same language at home in developing positive behaviours in our children.

At the last P & C meeting the committee supported Chaplaincy at Bribie Island State School, recognising the great contribution of Ken Piva to our school community. This term programs our chaplain will focus on are, Rock & Water with year 6/7 girls, woodworking, sewing and our Early Act program with Coralie Francis and Rotary Club to develop young leaders in our school from years 4/5. Over the holidays it was exciting to see Ken Piva and Coralie Francis recognised at the Rotary handover dinner. Congratulations!

The Active After Schools Communities program will be up and running next week. There will be tennis on a Tuesday and Golf on a Thursday running from 3-4pm. Please contact the office if your child is interested so they can be provided with the appropriate permission forms.

Importantly we have our first Prep Information and Enrolment session at 5pm on the 5th August. Please contact Amanda in the front office for information. You will have the opportunity to meet our current prep teachers and be provided with an array of information regarding our school. Look forward to seeing you there.

Yours in Education,

What’s happening in 1A this Term

Holidays are over and 1A has come back refreshed and ready to learn. An exciting thing we are examining is other cultures, including Australian Indigenous culture through their art, traditional stories, beliefs and values. This Term we have been thinking about what are these different cultures are and where they originate.

Last week we started with viewing the world on Google maps. We were then able to find our own country and even zoom in to see our own school! We next moved on to what was the first culture in Australia. Our Class reader: The two-hearted Numbat, this helped us view the traditional methods of creating art works of Indigenous Australians.

This is our attempt at using the traditional methods and colours. *(photo of dot painting feet)*

We used the traditional colours to create flags. *(photo of Indigenous flags)*

1A looking at Australia on Google maps *(photo of Google maps)*

I wonder which culture we will be looking at next! *(photo of looking at maps.)*
