Welcome
After five weeks of leave (including 3 weeks on Long Service Leave) I offer this week’s Principal’s message with reinvigorated enthusiasm and confidence around what we at Bribie Island State School are planning and delivering each and every day.

NAPLAN
I start by very proudly celebrating continued improvement in our NAPLAN results. This annual test of all Year 3, 5 and 7 students across the nation is one small measure used to reflect student progress in five areas of Reading, Writing, Spelling, Grammar and Punctuation and Numeracy. Across the three Year levels we have shown improvement in 11 of 15 strands. This continues on our improvement in 2012 in 11 of 15 strands. Another celebration as part of this data is our rate of improvement. In 2013 this rate is higher than both state and national improvement percentages. This is tremendous news and a fantastic opportunity to recognise the efforts of all at Bribie.

Attendance
**EVERY DAY COUNTS!** Our goal is 95% attendance each and every day. In term three we have improved attendance by 1.2 % compared to term three 2012. While a small improvement we are heading in the right direction. I urge all parents to ensure their child attends each and every day. Every two days absent equates to 1% of the education program for the year.

Student Leaders 2014
Our nominees for the 2014 Student Leaders positions are busily preparing and rehearsing speeches. On Friday 8th of November we will have the students present their speeches to the Year 4 – 7 cohort. Parents are invited to attend these sessions. Year Five students will present from 12:30 – 1:30 and Year Six students will present from 2:00 - 3:00. The list of nominated students are:

We wish every student all the best in their endeavours.

Behaviour
Our school is making great progress in meeting our expected high behaviour standards. Like all schools however some students push boundaries and at times have problems which require adult intervention. In all schools term four is the most problematic for behaviour. As the weather warms student patience decreases and data shows that incidents are more frequent. In reviewing our school data on reported incidents we have been averaging about 100 in term four for the past four years. I have asked all our school to make an extra special effort this term to see if we can reduce the number of incidents which are reported.

Our school goal, shared at our last assembly, is to reduce this to *under 70*.

I am mentioning this goal here so that all parents can also participate and help us reduce the frequency of behaviour by:

- **Being diligent** to any matter which may require contact with the child’s class teacher.
  - Communication and open and transparent conversations between home and school (particularly the class teacher) are the basis of all great schools and positive outcomes.

- **Providing extra guidance and support** for your child so they can enhance their skills to self-manage concerns.
  - While we all like to step in and help our children through their troubles it is their capacity to self-manage which will provide ourselves as parents and the children themselves the greatest long-term benefits as they mature.

- **Providing support for school rules and expectations.**
  - Alignment between home and school ensures children are not confused over what is expected and their role in meeting these expectations. Our three Bees: Be Safe, Be Respectful and Be An Active Learner

- **Keeping admin informed** of any matter well before it becomes a major concern.
  - Occasionally minor matters left to fester become much more challenging issues to deal with later.
  - Problems being faced at home can manifest in negative behaviour at school. Sharing with the school can help.

- **Set some goals** with your child.
  - Goals need to be realistic, achievable, challenging, jointly negotiated, with clear indicators of what is required (just ‘being good’ may not be enough clarity), use shorter rather than longer timelines and review goals with appropriate feedback to your child as they progress.

Year 6 /7 – 2014
In 2014 our school will be delivering the Year Six and Year Seven program in a secondary model. In 2015 both these cohorts of students will be moving to secondary school and to aid their preparation we will be providing a similar model to that being delivered this year to the Year Seven classes. As well we are looking at ways to ensure the Year Six group have access to all opportunities generally provided to students who are in their last year of primary school. To achieve this the Year Six and Seven groups will be combined to form five (or six depending on enrolments) multi-age classes. All classes will have Year Six and Seven students. We will call these classes our **Senior classes** (rather than 6/7) to promote the students roles in 2014.

To ensure we align curriculum expectations these classes will be provided the curriculum via the C2C 5/6/7 multi-age units, based on the National Curriculum. This will allow teachers capacity to deliver and aligned curriculum which best meets the students’ needs and in particular aligns with the curriculum in secondary school the following year.

I will be hosting an information evening on **Tuesday 22nd October at 7:00pm in our Arts/Tech** meeting room. Tea and coffee will be provided.

Bribie Festival
This weekend a great many of our students will be a part of the Bribie Bridge Festival. I urge you to attend and support our students. Special thanks go to Mrs Woodham and Mrs Thornely for their efforts in many areas.

Have a great fortnight.

Paul Pickering
Principal
Welcome back

It has been great to return to school and I am looking forward to the term ahead. There are plenty of activities occurring, in particular, our Enrichment programs, Bribie Festival, RSL Public Speaking, Spirit of Bribie and Year 7 Graduation. Reports are also due at the end of this term, so now is a great opportunity to speak to your children about their Learning Goals and targets they are setting themselves to achieve this term.

Prep 2014

Have you enrolled your child in Prep 2014?
If your child is born between July 1st 2008 – June 30th 2009, enrol for 2014.

If your child is ready for Prep please ensure your ring Mrs. Menzies on 3400 2333 by Friday 25th October so we can arrange an interview time. Places are filling fast and it is important that we can be organised and plan our staffing for 2014.

Bribie Island State School is a great school with numerous opportunities for your child to grow and achieve as they complete their primary education. If you need more information regarding our school and the Prep year please come to our next information session.

Event: Prep Information Session
Time: 5pm
Date: Wednesday 30th October
Venue: Prep 4, Bribie Island State School

Looking forward to seeing you at our Prep Information Session so I am able to meet with you and share with you the great opportunities available at Bribie Island State School.

Yours in Education,

David Lawton
A/ Deputy Principal

Term 4 Numeracy Goals

While term 3 was coming to an end, our teachers certainly weren’t winding down in preparation for the holidays!

In the last week of the term, teachers from each year level worked with me to set Numeracy Learning Goals for their year level.

These goals prioritise key learning for the year level and will be worked on intensively by teachers and students.

We encourage you to ask your child about their Numeracy Goal for this term and how they are progressing with the goal.

**In Prep our Numeracy Learning Goal is to:**
Students will experiment with recording the operation of addition.

**In Year One our Numeracy Learning Goal is to:**
Students will solve problems involving addition and subtraction using known strategies

**In Year Two our Numeracy Learning Goal is to:**
Students can count to and from 1000 and solve simple addition and subtraction operations using different strategies.

**In Year Three our Numeracy Learning Goal is to:**
Students will demonstrate their understanding of multiplication by solving problems using the most efficient strategy.

**In Year Four our Numeracy Learning Goal is to:**
Students will solve problems involving financial transactions (buying and selling).

**In Year Five our Numeracy Learning Goal is to:**
Students will understand factors and multiples and apply this knowledge to simple multiplication and division facts.

**In Year Six our Numeracy Learning Goal is to:**
Students will select appropriate strategies to solve problems.

**In Year Seven our Numeracy Learning Goal is to:**
Students can recall correct number facts in order to solve problems related to fractions, decimals, percentages and financial maths.

Have a great term everyone,

Mrs Karen Aczel

**2014 Prep Enrolment Meetings happening now**

Have you booked your 2014 Prep Enrolment Meeting? If not or you know someone who is starting Prep next year and has not yet had their personalised meeting with Mr Lawton. Please come to the front office and make your booking with Mrs Menzies or Mrs Dunn or call on 3400 2333 by 25th October as places are filling fast and it is important that we can be organised and plan our staffing for 2014.

Get on board with your Local Cornetts IGA and help support and raise funds for our school.

The Cornetts IGA Group actively support their local communities via the Community Chest program. Simply sign up at any participating Cornetts IGA to receive a scan tag for the charity of your choice. Present the scan tag at the checkout and your chosen charity (Bribie Island State School) will receive one point for every dollar you spend. Each point accrued is worth 1 cent, allowing the charity to continue supporting local residents.

Do you know a charity or organisation that could benefit from additional funding? (Bribie Island State School) Collect an application form from the kiosk of the participating Cornetts IGA store and return completed. Funds could be on their way to your charity or organisation just by shopping at the store. Tell your friends about the program - the more you shop, the more funding your charity or organisation could potentially receive. Why not check the store listing to see if your Cornetts IGA store participates in the program. Please go to [http://cornetts.com.au/community-chest.html](http://cornetts.com.au/community-chest.html) for more information.

Hello Everyone!
Welcome back to Term 4!
We are so grateful to be apart of such a strong and supportive community.
Recently our tuckshop was given funding from the Bribie Island RSL Sub Branch, the Bribie Island RSL Womens' Auxilliary and the Bribie Island RSL for new security windows in our tuckshop. We thank these community groups for their continued support generosity towards our school.
We would also like to thank John and Stacey Curley, owners of Bribie Screens and Things and proud parents within the Bribie Island State School community. We are thrilled to be able to support this business and other local business.

OFFICE NEWS

Student Absence Line: 3400 2366    EVERYDAY COUNTS
SENIOR CHEER SQUAD
We certainly had a busy term 3 with many great events and happenings in and out of school. Our SENIOR CHEER SQUAD had a wonderful experience and result at the recent Australian All Star Cheerleading State Championships, held on 14 September at the Brisbane Entertainment Centre. Competing against established and experienced squads, our girls achieved FIRST PLACE in the Scholastic Pom Dance Division. I was so incredibly proud of each and every member of our team. Their commitment, hard work and sheer enthusiasm is a credit to both them as a team and our school. Well done girls! Thank you to Mr Waugh and the parents who helped us on the day – your efforts were deeply appreciated!

GAVEL CLUB
Our GAVEL CLUB members have been very industrious - writing, rehearsing and refining their speeches for the upcoming RSL Public Speaking Competition. They were fortunate to have SEVEN members of Toastmasters attend the school competition recently to adjudicate and select the five students to represent the school at the RSL on Sunday, October 27th. Congratulations to LACHLAN ALLEYNE, DANIEL BROWN, BELLE HUTT, KIARNA PATTERSON and LILLIANA ROBERTSON as the students selected to represent our school. Congratulations also to AMY BRAIDEN and CHLOE CROUCH – reserves for the team. We were also very fortunate to have secured P and C sponsorship for uniforms for the speakers and we must not forget a HUGE thank you to the LIONESS and LIONS Clubs of Bribie Island for their generous donations to purchase blazers. The blazers should arrive in the next few days and will certainly give our speakers a very professional look! The team will compete at the Bribie Island RSL on SUNDAY 27th OCTOBER, 2pm. ALL WELCOME – we would love to see you there! Special thanks to Mr Gary Kuss, Toastmaster, for his support throughout the year with the club and his dedication to volunteering his time to work with us.

BRIBIE’S GOT TALENT
It was with great pleasure that I was able to present this year’s BRIBIE’S GOT TALENT show at our FETE, at the request of the P and C. Families and friends were treated to 17 performances from students in PREP to YEAR 7 along with both the JUNIOR and SENIOR CHEER SQUAD. Each and every performance was absolutely wonderful and I was again so very proud of the achievements of every child performing (many of whom have never performed on stage before). The P and C were very thankful for the support and commented on the quality of performances on the day. Many of the acts will perform again at the Bribie Festival Talent Show on SATURDAY 19th OCTOBER. Thank you to Miss Coker for her help and support with BGT.

CLASSROOM MUSIC PROGRAM
The latest exciting news for the school classroom music program is the acquisition of 30 UKELELES. Students across a number of year levels will have access to the ukes to further enhance their musical studies. I am really looking forward to embarking on this journey with the children.

AUDITIONS FOR SENIOR CHEER SQUAD WILL BE HELD IN WEEKS TWO AND THREE. THERE ARE A LIMITED NUMBER OF PLACES AVAILABLE. DETAILS WILL BE PROVIDED TO INDIVIDUAL CHILDREN WHO EXPRESS INTEREST IN TRYING OUT.

REMINDERS
SENIOR CHEER: WEDNESDAY 3-4:15pm (hall)
CHOIR (all grades): THURSDAY FIRST BREAK
BGT: THURSDAY 2-3pm (music room)
GAVEL CLUB: THURSDAY 3-4pm (music room)

Have a wonderful term!
