Bribie Island State School, established in 1924, has a long and proud tradition of providing quality learning experiences to primary school children. We believe that it is important for children to make successful transitions to school and are committed to building effective partnerships with local early childhood education services, parents and the wider community.

Our school values are deeply ingrained around Courage, Growth and Achievement. We see these values in action each day when our students courageously take on challenges, grow from their experiences and strengthen their achievement through these efforts.

Welcome

Paul Pickering, Simone Woodham, Rachel Roebuck, Karena Aczel.

We offer an ENRICHED Education for ALL of our students, based on areas of interest, intelligence and school-based data.

Early Years Curriculum and Pedagogy

- School-wide Pedagogical Framework (based on the Art and Science of Teaching)
- Expert teaching team
- Extensive support and enrichment programs based on data and whole school needs
- In class differentiation every day
- Learning goals for every student
- A school curriculum that is child focused and builds upon experiences from Prep to Year 6, whilst preparing students for their future
- Evidence based local decision making
- Structured alignment to the National Curriculum

Bribie Island State School values the importance of education in the early years, and is committed to providing successful transitions to school. Through reciprocal relationships, effective pedagogy, rich learning environments, effective use of data and respect for diversity, the Soar into Bribie program offers Pre-Prep children an opportunity to experience school life through a range of activities and events.

Students who participate in the program begin their prep year in a familiar environment, with a confidence that assists their readiness to learn. The initiative continues through the early years of primary school, with school-wide practices and intervention programs that respond to the diverse needs of our students.

An ENRICHED Education For ALL

Optimising every student’s opportunity to achieve his/her potential lies at the heart of Education Queensland’s commitment to all students. We embrace this and our vision for all students is to provide authentic experiences that both challenge and support them to pursue excellence and develop a passion for lifelong learning.

At Bribie Island State School there is an understanding that students are capable of excelling in one or more areas such as general intelligence, specific academic studies, visual and performing arts, physical ability, creative thinking, interpersonal and intrapersonal skills.

The learning environment at Bribie Island State School is regarded as pivotal in enabling students to demonstrate and develop their abilities. The school’s commitment to exceptional teaching provides empowering learning environments designed to enrich, foster rigour and develop deep understandings in young people.

This is made possible at Bribie Island State School.
